

COVID-19 STATEMENT FOR RENTON FARMERS MARKET 2021 OPERATIONS

In order to help slow the spread of COVID-19 cases in Washington State and ensure that hospital and medical systems are not overwhelmed, the City of Renton and Renton Farmers Market (RFM) will work closely with Public Health - Seattle & King County (PHSKC) to take necessary steps to protect public health. In this rapidly changing situation, it is important for RFM and vendors to be in constant communication and understand the requirements and any changes as they happen. Changes will be communicated as far in advance as possible but may occur as late as Market day.

As an essential business, farmers can play an important role in protecting Market staff, volunteers, vendors, and shoppers from COVID-19 by following these recommended personal and environmental hygiene practices.

To comply with PHSKC COVID-19 regulations in 2020, RFM moved physical operations one block west, from Piazza Park to Gateway Park. It is anticipated that RFM will continue to operate at Gateway Park in 2021 for as long as COVID-19 restrictions are in place. This location will have specific protocols for entry/exit, booth assignments, spaces allowed, and set-up/tear down that will be communicated with all vendors prior to opening day.

Some requirements for the 2021 RFM season may include, but are not limited to:

1. Masks may be required for all Market staff, vendors, and shoppers in accordance with orders from the Washington State Secretary of Health.
2. RFM will apply the social distancing recommendations to any lines that form inside or outside of the Market; vendors are responsible for maintaining social distancing at their booths and in any lines that form for their booths. If you are a vendor with high-volume traffic, you may be required to utilize spacing tools for lines. If you are unable to meet these requirements, you may lose your selling privileges at RFM.
3. No self-service of foods; only vendors may handle food products and bags for shoppers.
4. No product sampling.
5. Vendors must continuously clean and sanitize commonly touched surfaces and meet the environmental cleaning guidelines set by the Centers for Disease Control and have a hand-wash station inside each vendor booth at all times.
6. RFM will conduct daily checks for symptoms of illness for Market staff, volunteers, and vendors. Vendors must stay home when they are sick. If a vendor arrives at RFM exhibiting symptoms they will not be allowed to sell at RFM that day.
7. Vendors will prominently display any signage provided to them by RFM as required.

You are responsible for knowledge of and compliance with all COVID-19 requirements that apply to your vendor operations at RFM, whether or not a requirement is listed on this sheet. If you are unable or unwilling to comply with any applicable requirement, you will not be allowed to vend at RFM.

If you are in a high-risk category for coronavirus - people with underlying health conditions, people 60 or older, those with weakened immune systems or those who are pregnant - consider staying home until the risk of COVID-19 has passed.

The Governor's 'Healthy Washington – Roadmap to Recovery' proclamation requires employers in King County (in non-healthcare settings) to notify PHSKC "within 24 hours" if they suspect COVID-19 is spreading in their workplace, or if there are two or more confirmed or suspected cases among their employees in a 14- day period.

II. PRODUCTS SOLD AT RFM

RFM's goal is to provide an outlet for local farm products and to provide customers with farm-fresh foods.

Permission to sell and obtain booth assignments are made based on the RFM's need to balance available produce with a well-rounded selection for customers. The RFM seeks to provide Vendors with an opportunity to sell their products without overloading the RFM or customers with particular products. RFM does not act as a guarantor for any Vendor or customer for any item, product, or food. Products not covered under these guidelines will be given special consideration by RFM.

Products sold at the Renton Farmers Market are limited to:

- A. **FRESH FARM PRODUCTS:** Including fresh fruits and vegetables, herbs, nuts, honey, dairy products, eggs, poultry, mushrooms, meats, and fish. Also included in this category are fresh flowers, nursery stock, and plants.

All fresh farm products must be grown or produced in Washington State. All products must be grown and/or produced by the Vendor. The Vendor must be an active owner/operator of the farming operation and may not be operating the business under a franchise agreement. Only vendors selling as farmers and/or a horticulturist may sell fresh farm products from this category.

The Vendor must propagate all plants and flowers from seed, cuttings, bulbs or plant division. The Vendor's application shall state what is grown by Vendor, and what products the Vendor will sell at the RFM.

- B. **VALUE-ADDED FARM FOODS:** Includes preserves, jams and jellies, cider, syrups, salsas, smoked meats

and/or fish, dried fruit, flours, salad dressings, wine and beer. All value-added farm foods must be made from products/ingredients of which a majority are grown or produced by the seller. Processed farm foods must be produced by the Vendor from raw ingredients. Vendors in this category must have personally cooked, canned, baked, preserved, or otherwise treated the product they sell. All processed foods must have the proper permits and licenses as required by Renton and Seattle & King Public Health.

The Vendor's application for permission to sell shall state what is grown by Vendor and what products the Vendor will sell at the RFM.

- C. **OTHER ALLOWED VALUE-ADDED FARM PRODUCTS:** bouquets, wreaths, roping, arrangements and displays of fresh and dried flowers, vines, and gourds.

These items must be grown, foraged, and produced by the Vendor on the Vendor's own farm. These items are intended as a supplement to fresh produce, processed farm goods, nursery/flower inventory and cannot exceed 25% of the total displayed inventory.

The Vendor's application shall state what is grown/processed or prepared by Vendor, and what the Vendor will sell at the RFM.

- D. **PROCESSED FOODS:** Includes baked goods such as: pastries, granola, cookies, muffins, breads, pies and related take-home desserts; pasta, preserved foods, jams, juices, candies, not prepared on site. The Vendor must be an active owner/operator of the business and may not be operating under a franchise agreement. Please note: wine and beer that has been grown and bottled in Washington State but not from ingredients grown by the Vendor will be in this category. *Imported, Commercial or franchise sales will NOT be accepted.*

Processed foods must be produced by the Vendor from raw ingredients in Washington State. Vendors in this category are those who have cooked, baked, or otherwise treated the product they sell. No commercially prepared dough mixes, crusts, shells or fillings are allowed. It is expected that the Vendor will use raw ingredients that are grown in Washington, as appropriate for the product. All processed foods must have the proper permits and licenses required by the City of Renton, Public Health – Seattle & King County and/or the Washington State Department of Agriculture.

The Vendor's application shall state what is grown/processed or prepared by Vendor, and what the Vendor will sell at the RFM. A copy of the Vendor's commercial kitchen or processing permit is required with application.

- E. **PREPARED FOOD:** Includes fresh food products that the vendors themselves have processed into being products offered for sale at the RFM. These products are ready-to-eat. They may also be packaged. Upon approval of the RFM, these vendors may also offer items that they do not process. Such non-processed items are specifically limited so as to not compete with local handmade processed items. It is expected that the Vendor will use ingredients that are grown in Washington, as appropriate for the product. The Vendor must have the proper permits and licenses required by the City of Renton, Public Health – Seattle & King County, and/or the Washington State Department of Agriculture. FOOD TRUCKS are included in this Vendor category. Limited opportunities for Food Trucks may be made available during the 2021 season; additionally FOOD TRUCKS must have a current Mobile Food Facility Permit from the Renton Regional Fire Authority.

The Vendor's application shall state what is prepared/processed by the Vendor and what the Vendor will sell at the Farmers Market. A copy of the Vendor's commercial kitchen or processing permit is required with application. Please note: RFM is committed to providing healthy options for its customers. We do not accept "carnival" type foods like cotton candy or deep-fried foods ex. (but not limited to) deep-fried Oreos, Snickers, Twinkies, elephant ears or funnel cakes. Vendors offering locally-sourced, vegan, vegetarian, organic and gluten-free options will be given priority.

- F. ARTISAN/CRAFTER:** Arts or crafts, made by hand by the individual artist or their family. Artisans/Crafters should incorporate materials grown or produced in Washington State as much as possible and create their products in Washington State only. RFM gives priority to those Artisan/Crafter vendors who use materials from Washington State. *Imported, Commercial, franchise sales (i.e., Amway, Avon, Princess House, imported or mass produced items) will NOT be accepted.*

Vendors in categories D, E and F will be limited to less than 25% of the total vendors selling at the Market.

RFM does not allow the sale of:

- ✓ Commercial or imported Items or second-hand items (exception: Vendors who take a second-hand item and recycle that item into a new use).
- ✓ Franchises: Those who have entered into an agreement or received a license to sell a company's products and/or use a company's packaging, logo, ingredients, and/or marketing tools under that license or any franchise agreement.
- ✓ Non-owner operated businesses: Only those businesses that are operated and controlled by their Washington State-based owners are permitted at RFM.
- ✓ Out-of-State Processing: All processed products sold at RFM must be processed within Washington State.

III. HOW RFM PARTICIPATION IS DETERMINED AND BOOTH ASSIGNMENTS ARE MADE

A. BOOTH ASSIGNMENTS: The RFM will make assignments in an attempt to balance the needs of the RFM (supplying customers with a complete, competitive selection of produce available in season) without overloading the RFM or customers with particular or similar products.

B. VENDOR PARTICIPATION: RFM participation is based on priority of products in the following order:

- ✓ Fresh farm products
- ✓ Value-added farm products
- ✓ Processed foods – with preference given to vendors using ingredients from Washington State
- ✓ Crafter/Artisans
- ✓ Prepared foods – with preference given to vendors using ingredients from Washington State, organic, vegan, vegetarian and gluten-free options. Please note: offerings of neighboring businesses are considered when determining prepared food vendors at RFM
- ✓ The need for a specific product and your ability to produce it

Please note: RFM is limited to three wineries and breweries each market day. RFM will attempt to schedule these vendors as often as possible while maintaining a variety for our customers.

IV. 2021 DAILY BOOTH FEES AND BOOTH LOCATION

- A. BOOTH FEES:** \$40 per 10'x10' booth per market. Each Vendor is limited to two booths (10x20) per market day at Piazza Park, one booth (10x10) per market day at the Gateway Park location. Electrical fee is \$5 per market day for vendors using power; power is not available at the Gateway Park location.
- B. APPLICATION FEE:** A \$30 Application Fee will be due upon acceptance to RFM, please do not send any payments with application.
- C. PRE-PAYMENT DISCOUNTS:** A full season or monthly pre-payment discount may be available;

details will be communicated no later than the opening day of the market each season. Please note: pre-paid Vendors who fail to participate on a given RFM day are not entitled to a refund for that day. Pre-paid Vendors are still expected to give notice if they will miss a market day.

- D. BOOTH PAYMENT:** If booth fees have not been paid in advance, this fee will be collected each market day by the RFM Coordinator and will be collected no later than 15 minutes prior to closing on RFM day. Payment may be cash (bills only, no coin) or check; payment is required at time of collection.
- E. INSUFFICIENT FUNDS:** Any check written to the Renton Farmers Market (City of Renton) that is returned from our bank as “NSF” (non-sufficient funds) will be charged a \$25 NSF fee per check. Please see City of Renton Fee Schedule 2019-2021 for more information (available on rentonwa.gov website). Payments by personal check will no longer be accepted from Vendor after a check is returned as NSF.
- F. NO-SHOW/CANCELLATION POLICY:** “No-shows” hurt the credibility of RFM and negatively impact all Vendors. Vendors are responsible for their attendance as indicated on the application. Should a Vendor need to cancel or alter attendance, the Vendor shall notify the RFM Coordinator as soon as possible, via phone or email, but no later than 24 hours prior to that week’s Market. Should RFM not be notified of a cancellation, it is considered a “no-show” and will be charged the daily booth fee, due to RFM at the next attended Market. If a Vendor does not call or occupy their booth two weeks in a row with no communication to RFM, the booth will be declared vacant, without any refund, and given to another Vendor.
- G. BOOTH LOCATION**
Booth location will be assigned and reserved using the following criteria:
- ✓ Returning Vendors
 - ✓ Attendance from prior seasons
 - ✓ Sales history reporting
 - ✓ Date Vendor submitted a complete application
 - ✓ Number of spaces required (the more space required, the more challenging it is to place the vendor)

While site requests will be considered, Vendors will be placed to create a mixture of product types. Vendors will be selected so as to fulfill the variety that is listed in Section III. Vendors may not be allowed in the Market if the Market has reached the maximum number of that type of vendor. Any vendor placed on a waiting list will be awarded space based upon what is available and the product they sell.

V. VENDOR RULES FOR 2021

- A. ONLY WASHINGTON STATE FARMERS AND OTHER WASHINGTON STATE PRODUCERS AS LISTED MAY SELL AT THE RFM.** Principal farmer/producer may send family members, partners or employees to the RFM in their place, but are responsible for having their on-site representatives aware of all RFM guidelines and procedures.

B. CANOPIES: All Vendors are required to use canopies for their booths at RFM. All canopies must be sufficiently and safely weighted down from the time their canopy is put up to the time it is taken down. Sufficient weight is noted as a minimum of 25 pounds per canopy leg, weight must be attached to the leg. No stakes may be set in the shrub beds or pounded into turf. Any Vendor who fails to properly weight down his or her canopy will not be allowed to sell at the RFM on that Market day.

RFM DOES NOT PROVIDE TABLES, AWNINGS, TENTS, TENT WEIGHTS, OR UMBRELLAS FOR VENDORS.

D. *LOADING AND UNLOADING: Upon arrival at the Market at the Piazza, Vendors can unload at N 3rd Street between Logan and Burnett Ave. For Vendors at Market West, you may unload at N 3rd between Morris and Logan Ave. There is limited space, and the RFM has a limited number of carts to help move supplies; Vendors are encouraged to bring their own carts or dollies (must be stored in vehicle or within the 10x10 booth). When arriving, Vendors will unload supplies then quickly move their vehicle to an assigned parking location. When loading at the end of the RFM, please take down the entire booth, place items at curb, and then move the vehicle to the loading area. Carts are available until 7:50 p.m. Please be careful of the park landscaping while loading and unloading. Select vendors only will be given permission to unload/load on Logan Avenue South; see RFM staff for permission and special instructions.

G. PRICE SIGNAGE: Produce and other allowable Market products should be clearly marked with their price. This can be done by individually tagging each item with a sign or by listing all produce and prices on a large sign or blackboard. Also, vendor must include sign at checkout if an additional fee is added for use of credit cards.

Vendors that do not report sales accurately or in a timely manner will lose priority booth selection.

J. BOOTH CLEAN-UP: Each Vendor is responsible for keeping his/her booth space clean during the Market and for complete clean-up of their space at the close of the Market. This includes hauling away any trash or garbage that is generated in or around the booth and sweeping up any product debris left on the ground. Ice should not be dumped on the grass or cement. Vendors should bring their own brooms and dustpans.

A garbage truck will be located behind the Pavilion building for Vendor use. All garbage MUST be placed in a secured bag. Vendor is responsible for providing their own bags. **Garbage cans located in the Piazza Park or Market West are FOR CUSTOMERS ONLY. Hawking (calling attention to your products in a loud, repetitive, public manner) in front of booths is not allowed.

L. PRICING: Pricing of goods sold at the RFM is solely the responsibility of the individual Vendor. **Vendors are expected to price goods in a way that doesn't give the appearance of a "loss leader" product as is used in large grocery stores.**

W. DISCRIMINATION: Vendors, while on or using RENTON or RFM property, shall not discriminate on the basis of race, color, sex, religion, nationality, creed, marital status, sexual orientation or preference, age, honorably discharged veteran or military status, or the presence of any sensory, mental or physical handicap. Vendors shall comply fully with all applicable Federal, State, and local laws, ordinances, executive orders and regulations that prohibit such discrimination.
