

2018 Renton Farmers Market "Taste of Renton" Participant Form

The Renton Farmers Market provides the opportunity for one local restaurant each week to sample food items and/or have a Chef Demonstration from 4:00 – 5:00 pm. We ask that your group provide approximately 100 samples of a food item served at your restaurant and enough staff from your restaurant to serve. Your staff must have all appropriate food handlers permits. You may also bring information such as handouts or coupons to distribute during this time.

The Market provides space for your restaurant during the sampling time as well as the limited temporary food permit needed for sampling, a brief introduction with information about your establishment prior to the Taste, as well as parking along South 3rd Street during the demonstration to assist with your unload/load of product. Your restaurant will be listed on our website, in weekly emails, and other advertising as applicable.

We will review your application and contact you to schedule a market day based on your available dates listed below.
